***This special illustrated edition contains 10 carefully selected works by such artists as Francisco Masriera y Manovens (1842-1902), Adrien Henri Tanoux (1865-1923), Gaston Casimir Saint-Pierre (1833-1916), Alexander Louis Leloir (1843–1884), and others, painting in the Orientalist style, which perfectly capture a sense of exotic eroticism that A Night in a Moorish Harem faithfully describes in sumptuously graphic detail. All index linked in the contents for ease of reference and viewing pleasure.

When Captain George is cast adrift from his ship, fate soon intervenes to deliver him to the Pasha Abdalla's seraglio and the protective embrace of the nine concubines residing therein. With the Pasha absent for the next two days, the eager women, each of different nationalities, intend to share their affections with their manly stranger.

What follows is a highly erotic narrative as told by each of the women as the Captain challenges them to recount the most libidinous experience in their sexual histories; their reward for the same being a copious amount of copulating with George himself.

Does their handsome guest have what it takes to satisfy nine knowledgeable women, or will he be fully spent before tasting of all the Pasha's harem has to offer?

This classic of Orientalist Victorian Erotica, written anonymously in 1896 and published by the The Erotica Biblion society of London and New York in the same year, is in the same deliciously graphic and naughty tradition as The Lustful Turk. Presented herein fully edited and with separate paragraphs for the first time.

collection piece

While not the best piece in my collection, it was worth the purchase. The harem ladies each tell a tale of passion so the book is a series of short stories. A quick and light read, the stories are not overly graphic but lusty enough to keep your interest.

Read it in 1947

By Richard

I can't believe I found this book on amazon. Believe it or not, I read it in 1947 as part of a mixed teen reading group in Sheep Tracks, Alberta. A local sailor brought the book to our small town [pop 550] after serving in WWII. Our group of boys and girls, ranging from 14 to 16, met at the local train station in the waiting room around 7 pm. The room was 20 ft. by 20 ft., benches on all sides. A pot-bellied wood burner was located at the center of the room and a warm fire each night set was welcomed by all. Boys and girls alternated reading a chapter out loud to the group. I was one of the 14 year olds and my voice was changing at the time. I nervously squeaked through my chapter to the delight and laughter of the others, particularly the girls. As luck would have it, one of the 16 year old girls walked home with me after my first reading, took pity on me and I received my first wet kiss.

In our book, each sexual event was described in detail. Then, for the man to regain his strength, each harem girl told the story of her first encounter ... 16 stories in all, one story for each of us to read aloud. Great education in 1947.

Great Erotic Tales!

By Luis

This book contains 14 chapters. Each chapter is an erotic story that leaves wanting to know more. The stories are explicit but ambiguous enough to let your imagination fly. I did enjoy all the tales!
