Excellent, Applicable, Inspiring Guide for Marriage!

By Mike Miller

It was perfect timing since we took a one on one retreat to Anderson Island on Friday night. We talked about the points the workbook brought up and we were inspired and feel re-charged and re-connected. This was

one of the best getaways largely because of the topics this book brought up. We've been married for over 12 years and it's amazing how much the premarital topics still apply. As a guy, I really appreciate the funny quotes, relevant factoids and quick bible references in the margin. The Section on intimacy is right on! And the best thing is the idea to "be the soul mate" rather than expect someone to be yours! Wow! that was good! OK, I'm going to go get it and read it again!

Before "I Do" - Simply the Best!

By Joe Donaldson

My wife and I have conducted pre-marital counseling for several years. Our daughter recently became engaged and I gave her and her fiance' copies of "Before 'I Do.'" (You should consider that as a very strong endorsement!) This workbook has now become our primary pre-marital counseling tool. We use Prepare/Enrich for 2 sessions and then Before 'I Do'. It's a great combination. The format in each chapter of individual homework, review by the couple, and feedback with "Marriage Investors" is simply the best I've seen. If you do pre-marital counseling you should be using this great resource. Give copies as engagement gifts. Give a copy to your minister. Buy copies for you and your spouse and strengthen your own marriage.
