So in this manner, be a good user now!

CHAOS (BOOK 4) (THE OMEGA GROUP) BY ANDREA DOMANSKI PDF

An age-old prophecy of global devastation is about to be fulfilled.

Hunted since childhood because of his preternatural powers, Orano Tulay hides behind a surly attitude and antisocial demeanor. He joined the Omega Group to protect mankind, but the latest threat involves claims of witchcraft that sound outlandish even to a man like him.

Forces of magic are being used to manipulate forces of nature, exploiting humankind's greatest weakness and unleashing chaos. Face-to-face with a three-hundred-year-old coven of witches led by a power-hungry high priestess, Orano must expose himself to risk like never before. As if that isn't bad enough, he discovers one of the coven members is his first love—the girl he left behind more than a decade ago.

Orano must prevent the high priestess from succeeding in her quest for world domination, but first he'll need to keep his own demons at bay.

My favorite in Omega Series

By Veronica Richards

I've been a fan of the Omega Series from the beginning, reading and reviewing each book. 'Chaos' is my favorite thus far.

The story centers on Omega team member, Orano Tulay. Nigerian-born with the unusual super power of creating energy balls to throw at enemies, he has been hunted his whole life by a fanatical religious group determined to kill him. Because of hardships like this, Orano is a somewhat surly, taciturn young man who keeps his distance from even his Omega teammates.

Orano is assigned to a case involving a coven of witches in Virginia. Much to his surprise, his childhood sweetheart, Gracey, belongs to the coven. Thus begins a wonderful, complex love story as these two work to save the world from the ambitious coven leader's evil plans.

In previous books in the Omega Series, I have been somewhat disappointed in the primary antagonists, i.e. 'villains'. They are frequently gods or demi-gods with, of course, god-like powers. For some reason, these 'villains' have come across as flat to me due to their lack of flaws. In 'Chaos', the 'villains' are human witches and flawed as only humans can be. This made the story far more engaging.

I highly recommend 'Chaos' to all who like a book that blends Action Adventure with the Occult.

Loved Orano and loved the elements of witchcraft

By DMJ's Girl

I've been a fan of this series almost since the beginning, and it's been really cool to see how Ms. Domanski's writing has grown better and better with each book. This is my favorite yet. You could tell the author really did her research and I found all the information on witchcraft and covens really fascinating. The author made all of that, the spells and the women of the coven, feel so real it gave me chills a few times. The pace was electric, right from the beginning when we meet Orano as a boy. He's a surly character, he doesn't have a lot to say, but his presence is huge. Maybe some people wouldn't get him, I'm not sure, but I really took a liking to him, and it was really funny to see him react to the other more upbeat characters around him. I have to say, I don't normally read a book straight through from start to finish, I just don't have the stamina for it. But I did with this one, I literally couldn't put it down.

Another stunning addition to the Omega Series

By stringsoup2013

I've been following this author since I first discovered her and I'm such a fan of this series. I was so happy to see that she published another addition- it certainly didn't disappoint.

Domanski's story telling abilities never fail to amaze me. I think Orano's backstory is so intriguing and so real, it seems almost impossible that the author made it up. And the main conflict of the story is so well researched and backed up with facts, that I find myself looking at headlines a little closer wondering what if?

I absolutely love it and I really can't wait for the next. More please.

-A greedy fan
