Great

By Melique Hepburn

On time and exactly what I was expecting

0 of 0 people found the following review helpful.

Cost Accounting

By Barbara Elaine Brooks

I can't give much of a review since I haven't taken the class yet. But in glancing through this book, it seems like it is very thorough in explaining the material.

Good service

By Sergiy

Very good condition for used book. Only hard cover has no serious damage on the corner. But inside, book looks never opened. I'm satisfied very much. Thank you!
