From Library Journal

Grade 7 Up-In this adaptation of Edmond Rostand's *Cyrano de Bergerac*, the St. Charles Players, utilizing background music and clear voices, successfully bring *Cyrano's* story to listeners. The moods of the characters are clearly portrayed through the variation of the actors' voices. Students will easily follow the tale about a man in love with an extraordinarily beautiful woman, Roxanne. Because of his appearance, *Cyrano* refuses to tell Roxanne of his love and, instead, helps Christian profess his feelings for her. Even after Christian dies in battle, *Cyrano* can't proclaim his love for Roxanne. The actors' voices are clear, the aural quality is excellent, and background sounds and music carry along the action. Students will enjoy listening to this classic story of love and loss.

Poet and soldier, brawler and charmer, Cyrano de Bergerac is desperately in love with Roxane, the most beautiful woman in Paris. But there is one very large problem - he has a nose of stupendous size and believes she will never see past it to return his feelings. So when he discovers that the handsome but tongue-tied Christian is also pining for Roxane, generous Cyrano offers to help by writing exquisite declarations of love for the young man to woo her with. Will she ever recognize who she is really falling in love with? Set during the reign of Louis XIII, Rostand's *Cyrano de Bergerac* (1897) was one of the great theatrical successes of its time and remains as popular today for its dramatic power and, above all, for its good-natured, passionate and swashbuckling hero.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Check the edition; they are not all the same.

By teleflink

Classic tale which I have read in both French and English (Brian Hooker translation). Worth reading in either version.

I find it inexpressibly bizarre that Amazon displays reviews of any edition of this work with every edition they offer, making it difficult to know whether the reviewer is referring to THIS edition -- offered for \$0 with a plain-looking bi-color cover, in French -- or to a copy of the truly delightful Brian Hooker translation, or to some other version suffering with a brickbat translation.

Amazon should know better. Assuming that the various editions of *Cyrano* are fungible is comparable to assuming that any online purchasing site is comparable to Amazon.com. Is that what Amazon thinks?

The original, unbeatable text

By Patrick Perdu

Of course you will need to read French but if you master the language you should definitely give it a shot.

This is my favorite play ever; one of my top ten books and the only play in there.

Forget the movies (except maybe the French one with Depardieu), and no it does not end very well, but Edmond Rostand takes you for a ride through love and war and wit and charm and fun and, yes, cooking, all in some of the most brilliant yet funny example of mastery of the alexandrine.

I laugh out to tears each time I read it.

Useful for having alongside edition if learning French/English with this text...

By A. Boileau

Useful. Just got a house in Bergerac & have to learn French & should know this story (as this play helped to make the town famous!). This edition is useful while going through the French edition/dialogue, as it has a good selection of words & fantastic to see how to say something in English various ways in French & have the play dialogue translated with various selections of nuance which is clearly shown with the Thesaurus entries...will make going through the rather odd play a lot more of a practical exercise... and more memorable (I type hopefully).
