About the Author

Anne McClintock is the Simone de Beauvoir Chair of English and Women's Studies at the University of Wisconsin. Her groundbreaking study, "Imperial Leather: Race, Gender and Sexuality in the Colonial Contest" (1995), has had a major impact on our thinking in the areas of colonial and post-colonial studies and in cultural analyses of representations of race, gender and sexuality. She has edited many collections of essays of post-colonial theory and on the sex industry, most notably "Queer Transexions of Race, Nation, and Gender" (1997). At present she is working on a collection of essays on commercial sex, provisionally entitled "Screwing the System."

DANGEROUS LIAISONS: GENDER, NATION, AND POSTCOLONIAL PERSPECTIVES (STUDIES IN CLASSICAL PHILOLOGY) BY ANNE MCCLINTOCK, AAMIR MUFTI PDF

The first collection to emphasize the complex interaction between gender and postcoloniality.

Most people in the world, from Africa to Asia and beyond, live in the aftermath of colonialism. Their day-to-day lives are defined by their past history as colonized peoples, often in ways that are subtle or hard to define. In *Dangerous Liaisons*, eminent contributors address the issues raised by the postcolonial condition, considering nationhood, history, gender, and identity from an inter-disciplinary perspective.

Among the questions they address are: What are the boundaries of race and ethnicity in a diasporic world? How have women been so effectively excluded from national power? What have been the historical aftermaths of different forms of colonialism? What are the cultural and political consequences of colonial partitions of the nation-state? Representing an essential intervention, *Dangerous Liaisons* is a crucial guidebook for those concerned with understanding postcoloniality at the moment when it is becoming more and more widely discussed.

Worth the purchase!

By A. Spencer

A very informative text that is also quite thought-provoking. A must read for those interested in understanding some of the crucial issues surrounding the interrelationship between gender and nation for once colonized territories.
