So far it has been good in the questions we answer and discuss

By Grandma Mimi

My group has just begun this study, so I cannot give a review for the entire book. So far it has been good in the questions we answer and discuss. I am not a fan of the NIV translation so use other translations, as well.

Great guide to the book of Ecclesiastes

By Andrew

I found Ecclesiastes: Chasing After Meaning, to be a very helpful tool in understanding the book of Ecclesiastes. The thought provoking questions it asks really helped me come to better overall conclusions.

This is because it forces you to come up with the answers, instead of just laying them out for you to read and eventually forget. That's the mistake I believe the first reviewer made, they simply looked at the book in the wrong way. But don't be mistaken, this is an excellent guide to the book Ecclesiastes, especially if you plan on discussing Ecclesiastes in a group setting.

Great Group Study

By Amazon Customer

The Ecclesiastes study which is very much like the other Life Guide Bible Studies are great for groups. They provide many questions that will generate discussions that really provided insight into my life. I am pretty sure that doing a group Bible Study on Ecclesiastes without a guide is difficult (I've tried). It is good to see that there are good tools to help those of us who are not seminary graduates.
