Review

"The romance is cute, heartfelt, and chaste...Like a theme park, this story is pleasant, inoffensive, and satisfying..."

Publisher's Weekly

"I thoroughly enjoyed this book. It has a bit of everything - mystery, romance and humour - and is written in a way that draws a reader in, envelopes them in the story, and makes them believe that they are actually there, walking alongside the characters as they play their part."

- Anne-Marie Reynolds, Reader's Favorite

"Toasting author Stacy Juba with glass slippers bubbling with champagne! I absolutely LOVE Fooling Around with Cinderella - Stacy's created an enchanting place I want to visit. Fabulous characters, a drop-dead funny, gorgeous heroine (with glasses), some real sisters who need a few good verbal whacks, a nasty villain, and so much more. I loved it and want MORE!"

Elaine Raco Chase, award-winning romance author?

About the Author

Stacy Juba got engaged at Epcot Theme Park and spent part of her honeymoon at Disneyland Paris, where she ate a burger, went on fast rides, and threw up on the train ride to the hotel. In addition to working on her new Storybook Valley chick lit/sweet romance series, Stacy has written books about ice hockey, teen psychics, U.S. flag etiquette for kids, and determined women sleuths. Stacy is also the founder of the Glass Slipper Sisters, a group of authors with Cinderella-themed romance novels. When she's not visiting theme parks with her family, (avoiding rides that spin and exotic hamburgers) or writing about them, Stacy helps authors to strengthen their manuscripts through her Crossroads Editing Service. She is currently writing the next book in the Storybook Valley Series.

So, the way for you to obtain this Fooling Around With Cinderella (Storybook Valley 1) By Stacy Juba will be so very easy, won't you?

FOOLING AROUND WITH CINDERELLA (STORYBOOK VALLEY 1) BY STACY JUBA PDF

What happens when the glass slippers pinch Cinderella's toes? When Jaine Andersen proposes a new marketing role to the local amusement park, general manager Dylan Callahan charms her into filling Cinderella's glass slippers for the summer. Her reign transforms Jaine's ordinary life into chaos that would bewilder a fairy godmother. Secretly dating her bad boy boss, running wedding errands for her ungrateful sisters, and defending herself from the park's resident villain means Jaine needs lots more than a comfy pair of shoes to restore order in her kingdom. First in the Storybook Valley series, a blend of sweet romance, chick lit, and fairy tale fun.

AMAZING

By Carol Hoopes

Fooling Around With Cinderella by Stacy Juba

it was amazing

Read on May 23, 2016

I absolutely loved this book! fast paced and stunning in its telling of a modern Cinderella I was expecting it to be full of those clichés that most of the other Cinderella stories have and it did have some of them but I loved every one of them .

About :Jaine is interviewed at storybook theme park by and aspiring park manager -Dylan -whose the son of the founders of the theme park ,she originally applies to the job of a marketing coordinator but the they already have a company they have used for used for years and the family is set in there ways .jaine lands the job with one condition to play the parks Cinderella and fill in because the parks luck with Cinderella's hasn't been going to well the last few times. On top of juggling baby sitting her niece and running errands for her soon to be married sister all this running around and answering to her sisters every demand makes her feel more like Cinderella then she feels like she looks .Dylan's stern disapproving family isn't very welcoming ,a forbidden spark between her and Dylan and itchy blonde wig and an overly poufy dress and her promising to raise park attendance with new marketing strategies she has to over come a lot can she do it read it and find out !!

What I thought :I cant believe this book isn't a movie yet , I literally saw the scenes before my eyes with the writers descriptive phrasing and easy flowing writing style. I could connect with the main character more than I have with any other book I have read so far this year . Not to give anything away some of the personal family struggles she endured I can relate to and I found my heart aching with the main character when her heart aced over those things in the book. I would strongly suggest anyone who is going to read this book not roll your eyes at the cover or the title or plot its a lot more than you think it does have some of the familiar clichés as mentioned above but it goes into so much more than that. I shouldn't even call it a Cinderella retelling its very original in the way you vote for the characters and their struggles. praise to the author for making me wish story book was a real place and giving the main character so much spunk and fire and turning her into a beautiful princess with a mind and to recognize her own self worth and to stand up for herself .

.

Good, clean spin on a favorite

By lilacqueen75

(4.5 Stars) The book starts out with Jaine desperately trying to find a job. After pitching herself to a theme park, she is offered a job...but only after a summer of playing Cinderella. I love a good fairy tale and this was an expected bonus for me, because it was kind of two in one. Not only does Jaine pretend to be Cinderella, but her real life shows some similarities to the princess's life.

Jaine is a great character. She shows a lot of grit when it comes to proving herself worthy for this new position. How many women with a college degree would agree to dressing up every day and immersing herself into Cinderella's world? She knows what she wants and does what it takes to get it. That determination carries over into her love life. She's got two great guys to choose from--Prince Charming and

her boss, Dylan. Following her heart is the best course of action, but not necessarily the easiest, as a little mystery crops up in the workplace. I really liked with Jaine, as she's very selfless and does what's best for those around her. Sometimes, she gets stepped on a little too much, especially by those whom she loves the most.

The romance in the book is great! Everyone deserves a second chance, or even a third, and it was fun to watch the relationship blossom and mature.

There are some great secondary characters as well, that really make this fun setting all the more intriguing. I love the enthusiasm they each have for this theme park and its success. The story flows at a good pace and there are a few surprises in store for the reader. This is a great read for Cinderella lovers.

Content: mild, clean romance (kissing); mild-moderate language; no violence.

I received a copy in exchange for an honest review

Fooling Around With Cinderella by Stacy Juba

By ?wazithinkin

Jaine Andersen is a smart, marketing job seeker who has decided that, after visiting with her young niece, an aging, family-owned amusement park needs her expertise. Storybook Valley Amusement Park isn't looking for a marketing director but agrees to review her proposal. What the park's new general manager, Dylan Callahan, does need is a new Cinderella. So with a promise from the handsome general manager to add a marketing position in the fall, Jaine agrees to don the Cinderella costume and learn how things are run at the park from the inside.

The quirky characters make this story a pleasurable journey as Jaine learns about this unique family, the business, and its employees. When Jaine discovers her high school nemesis is employed in upper management at Storybook Park and the woman is after Dylan's job, all bets are off. With Jaine's own sisters demanding her time for their needs and devices, things in her own life start to fall apart.

It is always great to watch a strong female wade through the twists of a plot and manage to keep her dignity intact while dealing with circumstances beyond her control. There is a nice balance achieved in this story and I would recommend it for a satisfying beach read. I can't wait to see who the next story is about; there are so many interesting character choices for Ms. Juba to choose from.

FYI: Fooling Around with Cinderella is the first book in the Storybook Valley series from Stacy Juba.
