GOLDEN RATIO COLORING BOOK: A HAND-DRAWN ADULT COLORING BOOK BY RAFAEL ARAUJO PDF

Your soul will resonate with these captivating illustrations hand-drawn by artist Rafael Araujo. Our consciousness is finely tuned to these geometric drawings because they are based on a universal natural pattern: Phi, the Golden Ratio. This ratio equals 1.618 and is ubiquitous in the realm of nature. As you color them in, your mind will focus and the energy flow will induce in you a delightful state of mindfulness and relaxation. An adult coloring book with 25 illustrations, including gray-scale drawings to guide your color choices. Printed one-sided on the finest Italian, archival quality drawing paper, reminiscent of the parchment used by the masters of the Renaissance. Suitable for coloring with crayon, gel pen, gouache, ink, marker, paint, pencil, or watercolors. Pages can be easily detached for framing.

Kickstarter to Amazon great book!

By nathan

I was one of the Kickstarter backers that got this project funded. I thought the concept for the book was a wonderful idea and would have ordered multiple copies through Kickstarter, but the project was charging shipping per book and it was quite expensive. I knew that successful Kickstarters usually end up on Amazon and so I waited patiently for the day to come for an Amazon launch of the project, as I enjoy free prime shipping. The Amazon copy arrived and it is the same great quality as the Kickstarted copy. My only complaint is that it is so beautiful it would have been nicer to have been hardcover.

This book is golden.

By Perri Winkle

This book was a Kickstarter project that I supported. All I saw was a few sketches then and they looked interesting. That's how I got my copy--I saw a few sketches and decided to support the project. Then the book arrived at my house. WOW! The book is amazing!! Each drawing is my favorite until I turn the page and see the next one. The detailed drawings are fascinating to look at and study. This book is so wonderful I just have to share it with a couple of my friends so, I have now bought two more to give to friends as Christmas gifts. Get your own copy---you'll be happy you did!

Each piece in the book is beautifully printed, and each page is perforated for those ...

By Amazon Customer

I found out about Rafael's art when I began following him on Instagram. Once I heard about the availability of the coloring book on Amazon, I had to get my hands on it! Each piece in the book is beautifully printed,

and each page is perforated for those who would like to frame the finished pieces. I however, will be one of those who can't decide what color schemes to use so I photocopy a bunch to try out... Overall a big fan of this beautiful and sophisticated coloring book.
