Use the online resources

By Courtney D

I used this book and had to take the GRE in one month. I needed a refresher since I had not taken a test in over 10 years. With somewhat minimal studying I was able to increase my test scores 7 points on the quantitative and 4 on the verbal. I highly recommend taking the online quizzes and reviewing the answers immediately - That is what worked best for me.

It talks about an online/mobile subscription yet I am unable to access it on my phone. Every time I try and answer a question I am told that I must purchase the book, which I already have!
