HIS CURVY MATE (ALPHA PRIME BOOK 2) BY GEORGETTE ST. CLAIR PDF

Most shifters give near-feral Alpha Prime Creel a wide berth – and he likes it that way. At least, that’s what happens until he wakes up with a crazy woman in his bed who insists that they’re mated, and seems to know everything about him – right down to the scar on his inner thigh. Sure, Miranda’s curves are sexy as sin and her scent makes his wolf howl with desire, but bitter experience has taught him what happens when he lets anyone get too close.

Creel’s still reeling from a devastating betrayal, and he’s vowed to live out his life alone. He should be relieved when Miranda’s pack drags her away. So why does he find himself tearing a car apart to rescue her? Why is he offering his protection, even though he can’t offer his heart? And will he open himself up to her before secrets from their past threaten to destroy them and their new territory?

Like really. And because of this she was never ...

By Gwen

Miranda was ostracized by her pack because of the unique gift she has. She can speak to ghosts. Like really. And because of this she was never seen as a valuable member of the pack and was not allowed the same privileges as others. She has been in love with Alpha Prime Creel since forever, but always watched him from afar. It isn't til years later that the packs sees her gift as a useful. They want to marry her off to a cousin so that he can exploit what she can do. Creel has some scars about his old life with his pack that lead to his parents dying, his fiancée deserted him and his brother betraying him. He prefers to be a loner and most everyone knows it. When Creel wakes up with Miranda in his bed and her packed busting in his house, he doesn't have a clue about what's going on. He kicks them out not knowing that Miranda needs him and his protection.

Love this cast of characters

By jhendricks

First off, let me say that I love to read Georgette's books for the inventive characters she creates. This book is no exception. In this book we have a candle making, martial arts butt kicking, talks to the dead, half wolf heroine, an Alpha Prime wolf who has given one of his wolf friends silver bullets to kill him when he goes feral (which he is sure will happen soon), a socially inept owl shifter, a frying pan wielding cat, and a ghostly Grandma who loves to offer advice and play pranks. Put them all together and you have a book that's full of surprises and tons of fun. Oh, did I mention how sexy the hero is?

Another Wonderful Story

By Joe Young & Rhonda Jones

Creel is a hard core alpha prime wolf shifter. He is nearly feral, which is why he stays as far away from people as he can get. But people won't leave him be. And when he wakes up with a strange woman in his bed who makes him feel calm, what does he do? He pushes her away! But Creel is not cruel and when she needs help, he reluctantly gives it. This is the beginning of some huge changes in his life, his territory, and the people who live there. Who knew one woman would be so much trouble. This was a great story. So many wonderful characters and side plots. I loved it.
