I received a version that's supposed to be only sold in India and surrounding counties. I have assignments that come out of the textbook and some of them don't match up with what's supposed to be there.

Good intro to Human Resource Management

By Andy B.

Good textbook, rented it in hardback format for a Human Resources Management course, passed with an A+. The rental was a steal at about \$18 for five months. The book and I did our jobs.
