Guide Night School: A Jack Reacher Novel By Lee Child provides the best encounter and also lesson to take, not only take, but also discover.

Amazon.com Review

An Amazon Best Book of November 2016: Last year's Reacher book, *Make Me*, ended on a minor medical cliffhanger which I, for one, was looking forward to seeing resolved this Fall. But author Lee Child isn't giving up the goods so easily. Instead of picking up where that book left off, he takes Reacher back in time to 1996. Still in the Army, Reacher is coming off a medal-earning career triumph when he is sent back to school. His three-man class (Reacher, a CIA guy and an FBI agent) however, is a front for a secret mission: figure out the plot behind a message intercepted in Germany which reads "the American wants 100 million dollars." The good news for fans is that all the familiar elements show up in *Night School*: the words "Reacher says nothing" appear at least half a dozen times, and as usual, Reacher combines mechanical precision and brute strength to beat up bad guys with a degree of violence falling somewhere between Bruce Lee and a backhoe. Best of all, fan-favorite Sergeant Frances Neagley makes a welcome reappearance, riding shotgun with Reacher as he hunts for his quarry. Is the plot as robust and impressive as our hero? Not entirely, but readers will barely notice. Twenty-one books into this series it's clear that what makes them work as well as they do is the joy of watching Reacher's extraordinary powers of deduction working in tandem with his remarkable ass-kicking abilities. On that front, Child delivers as usual. --Vannessa Cronin, *The Amazon Book Review*

Review

"The prose is crisp and clean, and the fighting is realistic. . . . This latest installment has all the classic ingredients: a great setting (Hamburg), a good villain, and a mystery that draws you in efficiently, escalates unpredictably, and has a satisfying resolution."—*The New Yorker*

"Another timely tour de force . . . The taut thriller is textbook [Lee] Child: fast-paced and topical with a 'ripped from the headlines' feel."—*Minneapolis Star-Tribune*

"As gripping as ever."—*The Florida Times-Union*

Praise for #1 bestselling author Lee Child and his Jack Reacher series

"This series [is] utterly addictive."—Janet Maslin, *The New York Times*

“Reacher [is] one of this century’s most original, tantalizing pop-fiction heroes.”—The Washington Post

About the Author

Lee Child is the author of twenty New York Times bestselling Jack Reacher thrillers, eleven of which have reached the #1 position. All have been optioned for major motion pictures—including Jack Reacher (based on One Shot) and Jack Reacher: Never Go Back. Foreign rights in the Reacher series have sold in one hundred territories. A native of England and a former television director, Lee Child lives in New York City.

From the Hardcover edition.

NIGHT SCHOOL: A JACK REACHER NOVEL BY LEE CHILD PDF

#1 NEW YORK TIMES BESTSELLER • The incomparable hero of Jack Reacher: Never Go Back takes readers to school in his most explosive novel yet. After eleven straight global #1 bestsellers, discover the thrillers that The New York Times calls “utterly addictive.”

It's 1996, and Reacher is still in the army. In the morning they give him a medal, and in the afternoon they send him back to school. That night he's off the grid. Out of sight, out of mind.

Two other men are in the classroom—an FBI agent and a CIA analyst. Each is a first-rate operator, each is fresh off a big win, and each is wondering what the hell they are doing there.

Then they find out: A Jihadist sleeper cell in Hamburg, Germany, has received an unexpected visitor—a Saudi courier, seeking safe haven while waiting to rendezvous with persons unknown. A CIA asset, undercover inside the cell, has overheard the courier whisper a chilling message: “The American wants a hundred million dollars.”

For what? And who from? Reacher and his two new friends are told to find the American. Reacher recruits the best soldier he has ever worked with: Sergeant Frances Neagley. Their mission heats up in more ways than one, while always keeping their eyes on the prize: If they don't get their man, the world will suffer an epic act of terrorism.

From Langley to Hamburg, Jalalabad to Kiev, *Night School* moves like a bullet through a treacherous landscape of double crosses, faked identities, and new and terrible enemies, as Reacher maneuvers inside the game and outside the law.

Praise for *Night School*

Lee Child's new book, "Night School" - a little less of the Jack Reacher we know and love, but still very good.

By N. Caruso

I've read all 20 Jack Reacher novels, written by Lee Child. I jumped at the chance to evaluate copy of his newest book. You don't read 20 of anything unless you really like the characters, and "Night School" is no different. Taking place back in the mid-90's Military Police Major Jack Reacher is reassigned to go back to school – but it isn't what anyone thinks. It's really just a cover to investigate a possible act of treason and terrorism. Reacher teams up with his old colleague Sgt. Frances Neagley and a group of new folks representing the FBI, CIA and the national Security Council to find out what is happening and how to stop it. The best part of a mystery is finding out what happens, so I won't spoil anything, but Jack Reacher does his usual thing and in the end prevails in the usual Reacher fashion. The interaction between Neagley and Reacher, along with the other team members is entertaining.

That's the good part, now the part that isn't quite as good. I like Reacher novels because over the years he has been consistent - Jack Reacher is a really interesting character – keeps a clock in his head – always know exactly what time it is. Calculates the physics of a punch before he throws it, etc. In this book, Reacher is a bit more superficial. There is a lot less of Reacher's thought process in this book and I felt it made the book a bit less fun to read. In fact, I can only give it "4 Stars" because it's good – very good, in fact... but it lacks a bit of what makes Reacher novels so enjoyable.

Reacher fans will love it. Folks new to the series will enjoy it, as well. I enjoyed it. I just wish Lee Child done a bit more to keep Reacher's character as unique and entertaining as he has done in the past.

Boring

By Dave Persinger

I love Reacher novels, and own them all, but this one was flat-out boring. Normally I can't stop reading and end up losing sleep because I have to know what happens next. With "Night School" I had to force myself to keep going. I'd suggest skipping this one, or waiting till later once the price has dropped.

Not Your Usual Child

By essendubya

I've been a Lee Child fan since reading my first Jack Reacher novel, so you can imagine my disappointment when I began Night School and discovered it wasn't the old ex-Army Reacher. Night School is set in the era before Reacher left the Army. The story itself is okay, good even, but not the independent Reacher we've come to know. To be sure, some of the elements are there such as his impeccable logic, but it just doesn't have the same Reacher feel. Does my disappointment mean I'll stop buying Child's novels? No, it just means I'll scrutinize them much closer and won't buy them on a pre-release basis.
