You can browse title by title, author by writer, and also publisher by publisher to learn the very best book *Playing It My Way By Sachin Tendulkar* that you can review currently.

About the Author

Born in Mumbai, Sachin Tendulkar made his Test debut in Pakistan at the age of 16 in 1989. One of the most gifted and entertaining batsmen to have played international cricket, he scored more runs and made more centuries than any other player in history - in both Tests and ODIs. He made his first Test century at the age of 17, at the age of 36 he became the first player to make a one-day double century and in 2012 he scored his 100th international hundred. With India he won the World Cup in 2011 and reached the top of the world Test rankings in the same year. In 2013, he retired from cricket after playing his 200th and final Test in front of his home crowd in Mumbai.

PLAYING IT MY WAY BY SACHIN TENDULKAR PDF

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill.

When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers.

Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai.

His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain.

Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Thank you Sachin !!

By Dattatraya R. Korde

Finished reading Sachin's autobiography today. There were a couple of reasons why I was looking forward to reading this book (apart from the fact that I am a die-hard Sachin fan!!)

First, I wanted to understand how he was such a perfect player, what made him what he was. The answer to this, after reading the book is something which will sound like a cliché, & it is "Focused Hard work". Once he had set a goal Sachin was completely focused on achieving it & doing whatever he has to, to get there. To give an example, at one point his training schedule was as follows:

7:30-10:30am Batting practice in the nets

11:30 to 4:30pm Practice match

5:30 to 8:30pm Batting practice in the nets

Reminds me of what Malcolm Gladwell said in his book "Outliers" "You need 10000 hours of practice to master a skill". Well, Sachin practiced for much more than that. His dedication to the game was almost on the verge of insanity. On one occasion he reached home in Mumbai after a tour to New Zealand at 6:00am & was already at Wankhede for Mumbai's Ranji Trophy match at 8:00am. His focused hard-work played a crucial role in him reaching where he did.

Secondly, I wanted to find out what kept him so grounded? How can anyone who has achieved what he has, stay so humble? Sachin is almost revered like a "God" in India & yet he managed to stay humble. How did he do that? The answer to this question is his family & in particular his father. Sachin quotes his father telling him very early on his carrier that "You might play cricket for 20-25 years but remember you will have a much bigger life beyond cricket, so strive to be a good cricketer but make sure you strive harder to be a better person" It's these values that his family inculcated in him at a very early age that kept Sachin so humble & down-to-earth.

In his typical fashion Sachin has skirted controversies, for e.g. he has not gone into any details about the match fixing saga involving Azhar or the IPL match fixing but there are more than a few strong incidences he has brought up. His views on the Chappell brothers, the declaration of Multan by Rahul Dravid when he was batting on 194 & the ball tampering saga in South-Africa.

This book also has details of a lot of funny & embarrassing incidences surrounding Sachin & the Indian team dressing room. It will bring out a lot of chuckles from you. The on-tour struggles of the Indian team specially out of the sub-continent both on & off the field will make us appreciate the team in a whole new light.

As I was reaching the end of the book, I was feeling the same thing I felt when Sachin had announced his retirement, a feeling of emptiness. The chapter on the World Cup win & his last test match drew me to tears several times. It's amazing what Sachin has done for the game & for our country. Records are meant to be broken, Sachin's records will also be broken but I am very sure we will never see another Sachin !!

Underwhelming and Under Cooked

By Prem Mohanty

Probably one could say that as during his cricketing career we fans expect the same perfection from his

autobiography as well. 24 years of intense media and public scrutiny with every tiny detail being nitpicked and discussed, there wasn't a lot unsaid which hadn't been written about or known to fans over these years.

The autobiography is over loaded with facts and statistics, to the point where one simply wants to skip through chapters and pages. Despite all the hype, the book does not dwell on all the major controversies and issues which affected his career and playing era. Most importantly the match fixing issue of 2000, has been accorded a few customary lines. Hansie Cronje, Azhar and Manoj Prabhaker are all footnotes in a seemingly simplified version of events.

In all walks of life especially when it comes to autobiographies of sportspersons, it is the norm to express the opinions and views which were always shackled by rules and codes of conduct earlier.

Sunny Days has to be the best cricket autobiography I have read, it had honesty as well as incisiveness which is missing in "Playing it My Way". Too many pages have been devoted to score lines and match summaries.

One has a sense of void after completing the book. This is in stark contrast to the sense of fulfillment countless Indian cricket fans including me, experienced after a Sachin Tendulkar ton.

An awesome perspective !

By Amazon Customer

This was a priceless experience.. I wished the book didn't end. It was really refreshing to see things from Sachin's perspective. The only time I saw him live in a stadium finds a mention in his book as well, which was a pleasant surprise!

His child like enthusiasm for the game was plain to see on that day and throughout his career. This same enthusiasm is reflected right through the book as well. I enjoyed all of the anecdotes shared, most of which weren't public knowledge.

This is a must read for a Sachin fan. Even if you're not a fan of him or the game, it's still worth picking up to get an idea of literally the blood, sweat and tears that made up a legendary career. Life really begins now for you sir, wish you all the best!
