SON! BY JOHN SHEASBY PDF

Many believers have forfeited the blessings and benefits that are theirs as children of God by buying into the lie that we are saved to serve. The message of this series is that there is a far higher calling upon Christians. We have been predestined to be sons and daughters of the Living God. Our service is not the basis of our acceptance not the purpose for our redemption. The basis of our sonship is the fruit of a relationship of intimacy with the Father. In this, John's first book, he deals with some pressing questions, the answers to which will liberate the people of God to have their lives and relationships with God radically altered. Why are some earnest and sincere Christians unable to receive healing? Why do some live in poverty and lack? Why do many feel as though they are outsiders looking in or stepchildren to the Heavenly Father? Discover the joy of being a child of God as John describes his own journey from the servants' quarters to the Father's table and from servitude to sonship!

Learn who you really are!!

By DanaLeigh

Pastor Sheasby takes the reader on a journey of reintroduction to the true Father. He wants the reader to no longer feel like a servant...but a son. The true nature of the Father is revealed along with all the beautiful benefits of 'sonship'. So often, we feel unworthy to approach the Lord. This book will help the reader to once and for all understand who they truly are in Christ....a son or daughter of the most high God, clothed in righteousness who can come boldly before His throne! You can't earn what you've already inherited...so put aside the striving and rest in who you are....a SON!

BUY THIS BOOK!!!!

By R. Atchue

I can't say enough good things about this book. I originally ordered it for my husband after hearing about it on a Christian radio program. From the title, I expected it to be geared toward men. I took it from him and started reading it myself. (He's still asking for it back!) It has completely changed my relationship with my Heavenly Father. I myself had never fully understood the concept of being a daughter and an heir to everything He has. The book is Biblically based, as the author, John Sheasby, includes many verses. Buy this book! You won't regret it.
