Review

“I read this book about twenty years ago as a new Christian. Longing for a spiritual mother, I found Susan Hunt discipling me from these pages and stirring my heart to pour out to others what she had poured into me. I followed her example set forth in this book as I began to understand the importance of discipleship in the Christian life. Grounded in Scripture, wed to the local church, specific to women, personal, wise, hopeful, and engaging—this book will be both a ready reference for your discipleship of women and an encouragement to both young and old as you strive to live for God’s glory.”

—Kristie Anyabwile, wife of Thabiti Anyabwile, Pastor, Anacostia River Church, Washington, DC; mom of three; discipler of women

“I do not know of anyone better qualified to write a book on spiritual mothering than Susan Hunt. This is a subject she has been passionate about and has modeled for many years. Susan has been an older woman in my life, and her example has encouraged me to embrace the calling of pouring my life into women of the next generation. No message could be more relevant, more needed, more rewarding, or more Christ-honoring for Christian women of all ages.”

—Nancy DeMoss Wolgemuth, author; radio host, Revive Our Hearts

“In my thirty years of ministry, one of the most heartbreaking and eye-opening revelations I’ve had is that so many women have never experienced intentional discipleship through their local churches. I was poured into very consistently for four years when I was a university student through a campus organization, which laid the foundation for my spiritual life and ministry. How I would have loved for older women in the church to disciple me with that same intentionality and passion! **Spiritual Mothering** enters into the void with hope, practical teaching, and rich biblical encouragement for women of all ages to be nurtured in life-on-life relationships for the sake of the gospel. I am excited for Susan Hunt’s updated resource, which is filled with the timeless truth of God’s Word.”

—Ellen Mary Dykas, Women's Ministry Coordinator for Harvest USA; editor, *Sexual Sanity for Women*

“Susan Hunt is committed to declare the glorious deeds of the Lord to the next generation so they will set their hope in God (Ps. 78:1–7). This commitment shines through the pages of **Spiritual Mothering** as Susan

helps another generation fulfill this gospel mandate. This book is a gift to the church, filled with tender wisdom that flows from a life in fellowship with God and others. *Spiritual Mothering* will encourage and challenge you to grow in your relationship with the Lord so that you give yourself to the next generation.”

—Stephen T. Estock, Coordinator, PCA Discipleship Ministries

“I praise God for the wisdom of Susan Hunt. Through this book, she spiritually mothered me and many of my seminary friends from afar. In these days when the world tells women to follow their hearts, here we have a clarion call to follow Jesus. I’m excited to see this book get into the hands of more young women who need to be encouraged in their calling to make disciples of the nations.”

—Gloria Furman, pastor’s wife, Redeemer Church of Dubai; author, *The Pastor's Wife and Missional Motherhood*

“Twenty-five years later, these truths are more than mere words to me, for I have seen their shape worked out in my own life and the lives of countless women. One of my greatest joys has been witnessing the cultivation of a culture that encourages gospel friendships between older and younger women to flourish. These truths have yielded not just healthy women, but more importantly, healthy churches.”

—Karen Hodge, Women’s Ministry Coordinator, Presbyterian Church in America

“I first read *Spiritual Mothering* almost twenty years ago. After years of ministry, I am more convinced that this book should be read by every woman seeking to invest in other women. Susan Hunt wisely unpacks Titus 2 with theological precision, practical application, and faithful encouragement. I recommend this book in the hope that Susan’s words will spur us on to share Jesus—woman to woman, generation to generation, so that the entire church will be built up and strengthened, all to the glory of God.”

—Melissa B. Kruger, Women’s Ministry Coordinator, Uptown Church, Charlotte, North Carolina; author, *The Envy of Eve*

“You can tell by her smile and her countenance that Susan Hunt is the kind of older woman any wise younger woman would want to have as a mentor. This book is a classic.”

SPIRITUAL MOTHERING: THE TITUS 2 MODEL FOR WOMEN MENTORING WOMEN BY SUSAN HUNT PDF

"This is a fine treatment of a subject very close to my heart. May older women heed the call to mother the younger, and may the younger women be teachable." --Elisabeth Elliot, author and speaker

"This is a jewel of a book. By sensitively examining Paul's instructions in Titus 2, Susan Hunt calls women to powerfully affect our nation and world with the love of God--one person at a time." --Beverly LaHaye, Concerned Women for America

"Susan Hunt knows what women need. This book actually can empower women to help other women at the deepest, most important level of their being. Spiritual Mothering gives new and worthy meaning to the dishonored and 'feminist.'" --Connie Marshner, author and speaker

"In an age of irrationality and chaos, marked by terrible distortions of the family and by terrible distortions of manhood, womanhood, fathering and mothering, comes this most helpful book from Susan Hunt. Its excellence deserves focused reading and deep study." --Dr. Cortez Cooper, pastor

"This is the book to enable us to better understand the 'mothering mandate' of Titus 2. May all who read it be encouraged to open their arms to others, and in so doing, continue the 'good traditions' of godly Christian women to this generation, and generations yet to come." --Debra Evans, author and speaker

Inspires you both to seek and offer spiritual mothering

By Gerald Culley

The command in Titus 2 for older women to teach younger women has long been on my heart and I have desired to reach out beyond my own daughters, but have not often had the opportunity to develop such a relationship with others. I wish older women had reached out to me when I was younger and did not realize how much I needed their help and encouragement. This book is great for women of all ages. It encourages the younger to seek the wisdom of the older, and the older to share what God has taught them. We are starting group studies of this book in our church.

Must-read for women who desire to live God-honoring lives

By A Customer

Mrs. Hunt addresses the subject of biblical mentoring with passion and grace. This book is not merely a "how-to", but provides a strong foundation for loving relationships between women, with God's glory being the chief end and highest goal of such relationships.
