The author of this book google-imaged "David Fincher" and somehow managed to use the only image result that isn't him. That's not David Fincher!

How can we believe anything in this book if even the picture on THE COVER is wrong?

THAT IS NOT DAVID FINCHER ON THE BOOK COVER!

Why is there a photo of Fred Durst on the cover of a book about David Fincher??? There is some serious

quality control issues going on. They say you can't judge a book by it's cover, but I say this is an exception.
