Life had been full of changes for Cooper Walsh since he claimed Nicky as his own. Flying through the stars as the consort of a king seems insignificant compared to the changes he is seeing within himself both physically and mentally. But not everyone is happy that Nicky has become king. Some want the throne for themselves, and some want Nicky. When the king's flagship is attacked, Cooper finds there is more to his new life than simply being the new king's consort. He can only hope that Nicky will still want him as he becomes something not seen in the galaxy in centuries...but first he has to find Nicky, and that might not be so easy when everyone around him believes Nicky is dead. \*\* A Siren Erotic Romance
