Great Ministry Tool for 21st Century

By Pastor Roger

I bought a copy of this book used a few years back. It was perhaps the best book I ever found in a discount bin.

I work in cross-cultural ministry, mostly with Asian Americans. This book was very helpful to me in the work that I do. It covers most of the races that are currently in America and covers the strengths and faults that are in each of them. This book also tells what must be done to present the gospel to each of them without changing their ethnic culture. I think this feature of the book is excellent because far too often white America thinks that when minority races get saved, they must adopt "White Values." Not true! Each ethnic group in the world that has Christians celebrate Jesus in a way that is unique to their own culture. When we evangelize other groups outside of our own culture, when should remember this.

I'd call this book a must for all pastors, evangelists, and other Christian leaders of all levels in America.

Needs an update and...

By Dunamis

This book needs an update/rewrite including sections on how spiritual leaders can approach specific current

issues.

This book is over 20 years old. While the advice given is not outright wrong, the rate of change in Culture and Ethnicity in the United States and the World has rendered this book 70% obsolete. The remaining 30% remains relevant only because it is too broad and unfocused to be contradicted.

Three stars instead of two because twenty years ago I would have given it four or five.

Multicultural Ministry

By Robert W. Kellemen

As the subtitle suggests, "What Color Is Your God" educates pastors in foundational cultural understanding. Covering ethnic groups in America, this primer shows church leaders how to value cultural differences. It also highlights trans-cultural biblical principles and probes how various cultures apply or misapply these eternal principles in daily life.

Reviewer: Bob Kellemen, Ph.D., is the author of *Beyond the Suffering: Embracing the Legacy of African American Soul Care and Spiritual Direction*, *Soul Physicians*, and *Spiritual Friends*.
